Rubber Granule Pavers

19 models — factory-direct wholesale. MOQ 500 m², OEM colors & private label. Test reports available: GB 36246-2018 series (report GT250048, issued June 2025). Two production lines, 90,000 m² monthly capacity.

I-Shaped Rubber Paver

160×200×18 / 20 / 25 / 28 / 43 / 45 mm

Sizes	160×200×18 / 20 / 25 / 28 / 43 / 45 mm
Colors	Red · Green · Blue · Yellow

- I-shape locks curves without cutting
- Two-layer body — color wear layer
- Stays put on radius paths
- 15–50 mm for foot or cart traffic
- Made from recycled rubber granule

Applications: Squares, sidewalks, paths and other municipal projects

Sidewalk Rubber Paver

110×220×45 mm

Sizes	110×220×45 mm
Colors	Red · Green

- Frost & root-lift resistant body
- Beveled top sheds rainwater
- Lift-and-relay repair in minutes
- No mortar — sand bed only
- Made from recycled rubber granule

Applications: Outdoor sidewalks, paths and other municipal projects

Grass Rubber Paver

160×160×30 mm

Sizes	160×160×30 mm
Colors	Green

- Open cells — grass grows through
- Vehicle-load rated honeycomb
- Stops rutting on lawns & fire lanes
- Permeable — no puddling
- Made from recycled rubber granule

Applications: Parking lots, lawns, gardens and other municipal projects

Small Square Rubber Paver (296mm)

296×296 mm

Sizes	296×296 mm
Colors	Red · Green · Blue · Yellow · Grey · Black

- Small format fits balconies & rooftops
- Wraps drains and columns cleanly
- Insulates against concrete heat
- Pin-locked invisible seams
- Made from recycled rubber granule

Applications: Squares, kindergartens, bathrooms, etc.

Tactile (Blind Guidance) Rubber Paver

300×300×10 / 15 / 20 / 25 mm

Sizes	300×300×10 / 15 / 20 / 25 mm
Colors	Red · Green · Blue · Yellow

- Standards-compliant domes & bars
- High-contrast night-visible colors
- Conforms to uneven substrates
- Peel-stick or adhesive install
- Made from recycled rubber granule

Applications: Footbridges, underpasses, sidewalks, roadside

Square Rubber Paver

406×406×17 / 19 / 20 / 25 mm

Sizes	406×406×17 / 19 / 20 / 25 mm
Colors	Red · Green · Blue · Yellow · Brown

- Dense wear layer for heavy footfall
- Color-true under heel & trolley traffic
- 15–50 mm for any bed type
- Lower maintenance than concrete units
- Made from recycled rubber granule

Applications: Squares, playgrounds, sidewalks

Irregular Square Rubber Paver

406×406×17 / 19 / 20 / 25 mm

Sizes	406×406×17 / 19 / 20 / 25 mm
Colors	Red · Green · Blue · Yellow · Brown

- Chamfered irregular edges — no cutting around curves
- Porous body drains rainwater fast
- Impact-absorbing and noise-reducing
- Anti-slip even when wet
- Made from recycled rubber granule

Applications: Squares, playgrounds, sidewalks

Dot-Pattern Footbridge Rubber Paver

500×500×15 / 18 / 20 / 25 mm

Sizes	500×500×15 / 18 / 20 / 25 mm
Colors	Red · Green · Blue · Yellow

- Raised dot matrix — drains & grips
- Made for slopes & bridge decks
- Vibration-absorbing flexible body
- Drill-bolt or adhesive fixing
- Made from recycled rubber granule

Applications: Footbridges, sidewalks

16-Grid Rubber Paver

500×500×15 / 18 / 20 / 25 mm

Sizes	500×500×15 / 18 / 20 / 25 mm
Colors	Red · Green · Blue · Yellow · Grey

- 16-cell grid wear layer — extra grip when wet
- Rapid rainwater runoff between cells
- Impact-cushioning recycled granule body
- Low footfall noise on walkways
- Made from recycled rubber granule

Applications: Squares, residential communities, outdoor footbridges

Solid-Color Rubber Paver

600×600×15 / 18 / 20 / 25 / 30 mm

Sizes	600×600×15 / 18 / 20 / 25 / 30 mm / 1000×1000×15 / 18 / 20 / 25 / 30 mm
Colors	Red · Green · Blue · Yellow · Grey · Black

- Fade-resistant full-color EPDM body
- Scuff-proof color through thickness
- Tool-free interlocking edges
- UV-stable for rooftop exposure
- Made from recycled rubber granule

Applications: Outdoor fitness and recreation venues

Ballistic Rubber Tiles for Shooting Ranges

500×500×15 / 18 / 20 mm

Sizes	500×500×15 / 18 / 20 mm / 600×600×25 / 30 mm / 1000×1000×25 mm
Colors	Red · Green · Blue · Grey · Black

- Impact-deadening high-density body
- Anti-spall surface for range safety
- Bolt-on or adhesive mounting
- Noise reduction on firing lines
- Made from recycled rubber granule

Applications: Shooting range walls

Park Stair Rubber Mat

914×254×16 mm

Sizes	914×254×16 mm
Colors	Red · Green · Blue · Grey · Black

- Raised nosing — accessibility contrast
- Deadens noise on concrete flights
- Flexes over minor irregularities
- Pre-drilled or adhesive fixing
- Made from recycled rubber granule

Applications: Park steps

Park Round Rubber Mat

Ø16 in round pad

Sizes	Ø16 in round pad
Colors	Red · Green · Blue · Grey

- Seals soil moisture & blocks weeds
- Protects trunks from mower strike
- Fits trunks to 400 mm
- Flush edge with lawn or paving
- Made from recycled rubber granule

Applications: Parks

T-Groove Rubber Paver

500×500×40 mm

Sizes	500×500×40 mm / 500×500×50 mm
Colors	Red · Green · Blue · Grey · Black

- T-groove takes rolling loads
- No edge curl under thermal cycles
- 30–50 mm drop-load protection
- Fast-align T joints on screed
- Made from recycled rubber granule

Applications: Squares, horse farms, outdoor playgrounds

Drain-Channel Rubber Paver

500×500×20 / 25 / 30 / 40 / 50 mm

Sizes	500×500×20 / 25 / 30 / 40 / 50 mm
Colors	Red · Green · Blue · Grey · Black

- Molded channels drain stormwater fast
- Keeps walking surface dry in rain
- 25–50 mm body protects sub-base
- Edge-to-edge continuous runs
- Made from recycled rubber granule

Applications: Outdoor areas, gym strength zones

Pin-Hole Rubber Paver

500×500×30 mm

Sizes	500×500×30 mm / 500×500×40 mm / 500×500×50 mm
Colors	Red · Green · Blue · Grey · Black

- Pin-hole face — high wet traction
- Dries fast after rain
- Hides scuffs between cleanings
- Cushions joints on long routes
- Made from recycled rubber granule

Applications: Squares, residential communities, outdoor venues

Cross-Surface Rubber Paver

1000×1000×15 / 18 / 20 mm

Sizes	1000×1000×15 / 18 / 20 mm
Colors	Red · Green · Blue · Grey

- Cross-rib surface — extra torsional grip
- Cushions falls from standing height
- Floating install with pin connectors
- No adhesive — ready same day
- Made from recycled rubber granule

Applications: Kindergartens, squares

Large Rubber Ramp Door Mat

1000×200×28 mm

Sizes	1000×200×28 mm / 1140×390×50 mm
Colors	Black

- One-piece body — no curl under wheels
- Ribbed top grips when wet
- Cut-to-width for any doorway
- Smooth edge for trolleys & wheelchairs
- Made from recycled rubber granule

Applications: Entrance / doorway mats

Rubber Tree Ring

240×240×12 mm

Sizes	240×240×12 mm / 700×1700×25 mm / 1200×1200×25 mm
Colors	Red · Green · Blue · Grey

- Weed suppression & moisture retention
- Protects bark from trimmers
- Permeable to air & water
- Split design — no excavation
- Made from recycled rubber granule

Applications: Landscaping and greening
